CHRISTIAN JOHN A. MARASIGAN

FRONTEND DEVELOPER
&
UI/UX GRAPHICS DESIGNER

Hola, I'm *Juan!*

I'm a graduate of Bachelor of Science in Computer Science major in Network and Data Communications and I do web developing for almost 2 years, I do use every kickass front-end stuff, and front-end framework and I also do a lot of graphics design web mockups, UI/UX, using the grid sytem of bootstrap framework, mobile UI's applying the idea of google material design

For now I'm aspiring to become a *"full stack designer"* and sooner to be a *"full stack developer"*.
